

# Student Ambassador Scholarship Program

## Overview and Objectives

The Abbey Road Student Ambassador Scholarship Program supports the Abbey Road Programs mission of facilitating cross-cultural understanding, personal growth and academic enrichment of high school aged youth in its summer programs by:

- Increasing awareness of and respect for cultural differences by supporting student petitions to study abroad in a foreign country
- Developing pre-college and leadership skills by supporting student petitions to attend U.S. college preparatory programs
- Providing opportunities for experiential learning through daily on-site instruction
- Fostering relationships with foreign communities through experiential daily activities
- Promoting the importance of summer enrichment through Student Ambassador blogs, essays and interviews
- Encouraging Student Ambassadors to promote scholarship program awareness by acting as references for prospective families and schools

Applicants should consider these objectives when applying to the Student Ambassador Scholarship Program and should be prepared to explain in their personal statement how their prior academic and extracurricular achievements qualify them as a potential Ambassador of Abbey Road.

## Eligibility and Ambassador Activities

Student Ambassador Fellowships and Scholarships are merit-based and any eligible student in good academic standing is encouraged to apply. Applicants must be between the ages of 14-18 and demonstrate outstanding academic and extracurricular performance in the field for which they are applying. Scholarship recipients are expected to uphold the Abbey Road Programs mission and fulfill the following duties prior to, during and after the course of their summer program:

- Before departure, complete a pre-departure reflection blog post (posted no later than June 15th) describing your motivations for applying to Abbey Road, expectations for your summer program and any additional relevant information.
- During the program, maintain an Abbey Road sponsored summer blog and contribute a minimum of three weekly entries of text and images.
- During the program, uphold Abbey Road's mission and 5 cardinal safety rules.
- Upon completion of the program, turn in a post-program reflection essay, 500 word minimum, reflecting on your overall program experience including your perspective on the experiential academic components of the program, extracurricular activities, staff and any additional memorable experiences.
- Upon completion of the program, serve as a student reference for perspective families by responding to questions via e-mail and attending an informational session (location permitting) hosted by an Abbey Road Admissions Representative. You can expect to receive several emails a month, not a high-volume of inquiries.
- Upon completion of the program, make yourself available for a follow-up phone interview to discuss program satisfaction with an Abbey Road representative.
